Hello, Everyone – A special meeting of the HCV Task Force will be held **April 11, 4-5 pm** in the 5th floor conference room at 8000 N. Stadium. We will be discussing a grant opportunity that HDHHS will be applying for entitled "Racial and Ethnic Approaches to Community Health Across the US (REACH)". Our specific goals will be to increase hepatitis B vaccine completion rates among Asian, African-American, and Hispanics with STDs and we'd like to get your input and suggestions on how to structure our intervention.

Please let me know if you have any questions and I look forward to seeing you on the 11th.
